Crunch Care Employee Standards

-Crunch Care will not refer providers or hire individuals that have received a citation for DUI / DWI or a ticket for reckless driving. If an existing employee of Crunch Care receives a DUI / DWI or reckless driving ticket they must notify Human Resources within 48 business hours of receipt of the ticket. Failure to provide timely notification will result in termination.

Crunch Care Professional Policies

Medications: No dispensing medications. Medication reminders only please.

Relinquishment of Custody: Do not relinquish custody of the care recipient to anyone not authorized by the Client family.

Outdoor Activities: You must have approval from a client family to leave the residence.

Visitors: No visitors shall be permitted in the premises unless authorized by the Client family. No visitors may be under 18 years of age.

Infant Sleep Position: The American Academy of Pediatrics (AAP) strongly recommends that infants be put to sleep on their backs to reduce the chance of Sudden Infant Death Syndrome (SIDS) . It is the policy of Crunch Care that all infants be put to sleep on their backs on a firm infant crib mattress in a crib.

Epipen Use: A care recipient who may require an Epipen is an emergency situation that falls within the protections of the American Disabilities Act.

Please click on this link to follow appropriate Epipen instructions:
